By providing Your personal information to Us, You acknowledge and consent that We can collect and Use Your personal information for the following purposes:

- to assess Your current and any subsequent application; administer the Policy; calculate or offer discounts; and to investigate, assess and pay any claim made by You or against You; and
- for these purposes, We can collect Your personal information from and/or disclose it on a confidential basis to, the following: Our related entities; Our distributors; other insurers; insurance reference bureaus; law enforcement agencies; investigators; lawyers; advisers and the agents of these.

Where You provide personal information to Us about another person, You must be authorised to provide that information to Us and inform that person (unless doing so would pose a serious threat to the life or health of any individual) who We are, how We Use and disclose their information, and how they can gain access to that information.

YOUR DUTY OF DISCLOSURE

WHAT YOU MUST TELL US:

Before You enter into a contract of insurance with Us for the first time, You must advise Us of anything that You or a reasonable person in the circumstances could be expected to know, which is relevant to Us insuring You and, if so, on what terms. You must advise Us of any information relating to You and anyone likely to drive the Vehicle, when entering into the contract.

When You renew or change Your Policy, Your duty is to tell Us before the renewal or change every matter known to you which You know, or a reasonable person in the circumstances could be expected to know, is relevant to Our decision whether to insure You and whether any special conditions need to apply to Your policy. These include but are not limited to:

- Motor Vehicle accidents, claims, infringements and/or convictions in the last 5 years; and or
- Any criminal convictions or charges.

You are not required to disclose anything that diminishes the risk to Us as the insurer, that we know or should know based on Our business, or is common knowledge.

The decision to accept Your Application for insurance was based on a number of factors, such as You must tell Us immediately if any of the following details change;

- | | | |
|-------------------------------|----------------------|------------------------------------|
| • Drivers of Your Vehicle | • Change of Address | • Date of Birth of Youngest Driver |
| • Accessories & Modifications | • The Vehicle itself | • Vehicle Use |

If You do not notify Us of all information that You are aware of We may refuse to pay a claim, reduce the amount of Your claim, or cancel Your Policy.

WHEN YOU RECEIVE THE POLICY MAKE SURE THE INFORMATION IS CORRECT

Please check the information You have given Us and notify Us of any changes or corrections. This is an important part of Your Duty of Disclosure.

COST OF THE POLICY

A number of factors are taken into account in setting Our Premiums and these include the type of Vehicle, the age and driving experience of people who will drive the Vehicle, the location where the Vehicle is garaged and the usage of the Vehicle. All of these factors impact on the amount of Premium charged for the Policy.

If You decide to buy Motor Vehicle Insurance from Us, the price will include any compulsory Government charges including Stamp Duty, GST and Fire Service levy, if applicable, as well as any Establishment Fee.

Also included in the Premium amount is the commission payable to the Authorised Representative who provided the Policy to You (and associated Marketing Agencies). The amount of commission varies between Authorised Representatives, however, the specific details applicable to the purchase are defined in percentage form in the Financial Services Guide (FSG) that is issued to You by the Authorised Representative.

This commission amount is calculated on the total Premium payable, less any Government or Statutory charges. These charges will be included in the amount payable which is shown on the Policy Schedule and We will refer to this whole amount as the "Premium".

Before We can give You any insurance cover, the Premium for the Policy plus any establishment fee must be paid either by You or by including them in the finance contract and the Financier making the payment to Us. You can choose to pay the Premium either annually or monthly.

PAY BY THE MONTH

You can pay Your Premium by instalments to help spread Your payment over the period of Your insurance cover.

An administration charge will apply to Use this facility. If You do choose to pay Your Premium by instalments, Your Premium will be more than if You choose to pay by a single annual payment.

If You are paying by instalments and an instalment is 14 days or more overdue, We may refuse a claim. We may cancel this Policy if the instalment is one month or more overdue. If We cancel Your Policy where an instalment is unpaid, Your Policy will end on the due date of the first unpaid instalment payment.

Where you choose to pay Your Premium by instalments, the first instalment will also include any establishment fee payable.

OTHER COSTS, FEES AND CHARGES

There are other costs, fees and charges that You may have to contribute under Your Policy and these may include the following:

EXCESS

Your excess is the amount that You may be required to pay when You make a claim. Please refer to pages 15, 16 & 17 of this PDS for further details.

CONTRIBUTION / DEPRECIATION

You may be asked to contribute to the cost of repairing tyres, engines, bodywork, paintwork, accessories, batteries, radiators or interior trims if they are affected by wear and tear or rust and corrosion, which are noted exclusions to the Policy. See pages 10, 11, 12, 13 & 14 for further information on Exclusions. How much You will pay depends on how much those items were worn at the time the damage happened.

CANCELLATION FEE

See 'Cancellation by Us' on page 15 of this PDS.

DISCOUNTS THAT MAY APPLY

When You ask for a Premium quotation the cost of the insurance may include a discount on Your Premium. The discounts that We have available include:

NO CLAIM BONUS DISCOUNT

This discount is designed to reward You for Your good driving history. The discount that We offer is dependent on the number of years You have been licensed without having an at fault claim.

The application of this discount for subsequent periods of insurance may be affected by any claims lodged on Your Policy, including for not at fault accidents where You cannot supply the other drivers details, unless the No Claim Bonus Protection cover option is selected (see page 7 for further detail).

Where the Premium has been financed, You authorise Us to pay any refund direct to the Financier unless the Financier otherwise authorises the refund to be paid direct to You.

EXCESS

The excess is what You must pay in the event of a claim.

There are four types of excesses:

- i) Basic excess;
- ii) Age or Inexperienced Driver excess;
- iii) Imposed excess; and
- iv) International Licence Holder excess.

The excess You pay is the total of these excesses added together.

In the event of a claim which We determine is not Your fault, and You can identify the at fault party, You will not be required to pay the Basic Excess.

All other excesses will still apply. In the event We recover any monies from the at fault party, We will pay You all monies received by Us up to a maximum of the Excesses You paid.

BASIC EXCESS

The basic excess is as follows:

A. The amount applicable to the state where the Vehicle is garaged:

NSW	\$600	QLD	\$500	VIC	\$600
ACT	\$600	SA	\$400	WA	\$400
NT	\$400	TAS	\$400		

OR

B. If the Vehicle is driven by a person under 30 years of age at the time of the accident giving rise to a claim, and that driver is not declared or nominated on the proposed form, then the Basic Excess will be \$1500;

OR

C. As advised in writing to You.

AGE OR INEXPERIENCED DRIVER EXCESS

The age or inexperienced driver excess is based on the age or experience of the driver of Your Vehicle at the time of an accident, whether it is being driven or in their care, custody or control.

Any Driver licenced less than two years	\$900 OR
Drivers under 21 years of age	\$900
Drivers 21-24 years of age	\$600
Drivers 25-29 years of age	\$350

IMPOSED EXCESS

An imposed excess may be applied based on the type of Vehicle and its Modifications and accessories, and/or the driving record and accident or insurance history of those who drive the Vehicle.

The imposed excess is payable on every claim accepted by Us, including where a faultless excess is applied.

You will be advised in writing if an imposed excess is to apply.

INTERNATIONAL LICENCE HOLDER EXCESS

If the driver of Your Vehicle at the time of an accident is authorised to drive by way of a Driver's Licence not issued by a State or Territory of Australia an excess of \$1000 applies.

WHEN SOME EXCESSES WILL NOT APPLY

There are a number of circumstances where You will not have to pay various excesses, these being:

A. Faultless excess (only applies to the Basic excess)

This Policy has a Faultless Excess clause, which means that You may not have to pay the Basic Excess, on a claim if You Were not at fault and You can supply the details of the person at fault.

We will apply the Faultless Excess clause towards a claim provided:

- i) We are satisfied that the accident which gave rise to the claim was caused solely by the negligence of the driver of the other Vehicle, or they admit liability to Us;

AND

- ii) You can supply the name and address of that driver as Well as the registration number of the Vehicle;

AND

- iii) The amount of the claim exceeds Your excess and is not a claim for windscreen damage.

We will make a determination of negligence after We obtain the relevant facts. Our determination will be binding upon You for the purposes of this benefit.

B. Windscreen claims

If You select this cover it will be shown on the Policy Schedule. We will pay for one (1) front windscreen claim, free of excess, occurring in any one (1) period of insurance, limited to \$400 in total.
